April/May 2011

Dear Parents,

During the first half of the Summer Term (26th April—27th May approx) our topic will 'My World'. During this period we shall be covering some aspects such as different countries within the world that are important to our children, such as Britain, Spain, Germany, Pakistan and South Africa especially Ghana. When we shall find the country on the Globe, look at the flag for each country and hopefully some foods from these countries., along with the different types of music where possible. We shall also look at some science subjects, animals from around the world, some famous people and those that help us such as the Police and Fire Services. Included will be the different cultures found in the countries we shall be covering along with our own community here in Greenlands, Redditch. Others aspects to be included will be the continuation of planting our own seeds and watching them grow then eating the produce such as strawberries and carrots and Jolly Phonics the sounds and actions for the letters of the alphabet which equips your child/children for writing and reading ready for school.

Since the first week is a short one we shall look at a Jolly Phonics sound bag looking at words beginning with C, Jelly play and Weddings because of the Royal Wedding on Friday. We shall be closed on Friday 29th April, the Royal Wedding and Monday 1st of May which is May Day. Please remember that we do have to charge for Bank Holidays, this is unavoidable but we endeavour to offset this by a generous holiday allowance and the 2-4-1 deals during school holidays.

As we start to enjoy the sunshine can we please remind you that your child needs to have with them some sun cream and a sun hat.

Many thanks for your continued support.

Regards,

Scott, Nicci and Phil
