December 2009

Dear Parents,

We shall be holding our Christmas Party on Wednesday 16th December. We would therefore like to ask you if you could put some Christmas/party food in your child's/children's lunch box please. We shall be playing some party games and pass the parcel after lunch. If your child/children does not/do not normally attend on a Wednesday and you would like them to be included, please can you have a word with Scott regarding spaces available and costs for your child/children to attend. Thank you.

May we remind you that this term ends at 2.45 p.m. on Friday the 18th December 2009 and re-opens on Monday 4th January 2010. We are not open during the Christmas school holidays.

Our topic for the first half of the Spring term (4th January—12th February 2010) will be Transport which will cover Air, Sea, Land and Rail Transportation. Some of the aspects we are hoping to cover are Junk Modeling, so if you have any cereal boxes, yoghurt pots or margarine tubs you have finished with please can we have them. We shall be making sailing boats out of margarine tubs and seeing if they will float in the water tray, and cardboard cut outs of buses. Another activity will be to make a lorry out of different shapes, circles for wheels for example. We shall also go outside and see if we can see a plane or helicopter in the sky and make a painting of it, along with lots of cutting gluing and sticking. So remember to send your children in old clothes please. We do now have in stock polo shirts and sweat shirts at £12 for sweat shirts and £12 for polo shirts should you wish to purchase one.

Due to changes in the way Profiles are completed we shall not be giving out reports this year but shall be available, as always, to discuss your child's development.

Could we please remind you that we finish each day at 2.45 pm so can you whenever possible pick you child/children up on time, as some of the staff have children they need to collect or be home for. If you any unforeseen reason you are going to be late please call us on 07791576701. Many thanks indeed.

The Staff would like to take this opportunity to wish you all a Merry Christmas and a Happy New Year. Many thanks for your co-operation in these matters.

Best Wishes,
Regards

Scott and Staff
